- Three pieces of equipment need to be replaced.
(A) So, we have to stop the assembly line for the time being.
(B) So, we won't have to change anything.
(C) So, we can start working again earlier.
- Have you finished checking the equipment?
(A) Not yet.
(B) I have no homework today.
(C) Tomorrow.

- We started using new computers last year and doubled our production as a result.

- (A) Oh, that's great!
(B) Did your production decrease?
(C) Then the new system hasn't worked well.

- How much time can you give us?

- (A) I can give you 2,000 dollars.
(B) I must try harder.
(C) Three months is my deadline.

Part III Short Conversations and Short Talk 49,50,51

Directions: Now, you'll hear two short conversations and one short talk. In your textbook, you'll read a question followed by four answers. Choose the best answer to each question and mark it on your answer sheet.

- Woman: We're going to have to completely change our system of quality control.
Man: Why? What's the problem?
Woman: The system we have now is just too expensive.
- Woman: I thought I told you we had to cut back on overtime.
Man: We can't keep up with the production schedule if people leave early.
Woman: Sorry, but I've already said there's no room in the budget for overtime pay.
- I'm happy to announce that we have reached our production target for this month. I'd like to thank all of you for your hard work.
